

YNOT WINDSDAY

Ynot WINDSday will be held on the Sandler Center Outdoor Plaza on Wednesday, June 15, 2022 from 5pm - 9pm. This eco-friendly event will be held in support of Ynot Wednesdays, featuring a free concert from Brasswinds, with food, drinks, and desserts from Ynot Italian available for purchase. WINDSday is an initiative of the Commission on Offshore Wind and Clean Energy, formed to help educate the community about a 120,000 acre windfarm off the coast of Virginia Beach starting in 2024, and additionally focused on clean energy, a green environment, and the power of wind.

Vendor spaces are open to sustainable and eco-friendly businesses*. Selection will be based on originality, quality, presentation, and number of exhibitors. The Sandler Center team will make final acceptance or rejection decisions.

SET-UP: Each vendor will be provided with a 6' uncovered table and two chairs. Space location is first come, first served. If you do NOT need a table or chairs, please let us know. Electricity is not available. No pop-up tents permitted. Vendors may arrive no earlier than 3:00pm to begin setting up and MUST be fully set up by 4:30pm
